

Winston Way Weekly NEWS

Friday 5h October 2018

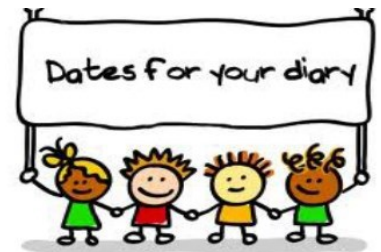

Dear Parents and Carers. Another week has come and gone. This week I have been in all classes watching every teacher teach. Over the week I have seen many fine examples of children's work.

A number of pupils have been to my office to share the work they have produced and its made me really happy to see the enjoyment and pride they take in their work.

As the weather is beginning to get colder can I please ask that children come to school prepared for the day with coats and accessories.

After school clubs start soon so please look out for the letters.
