

# Winston Way Weekly NEWS

Friday 19th October 2018

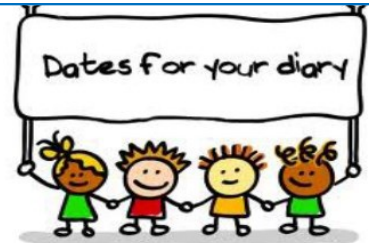

Dear Parents and Carers.

Thank you again for the dedication you have shown in ensuring your children attend school every day and on time.

At Winston Way we are working on allowing every child to reach their potential and achieve to the highest standard possible. I want to include pictures of the children with their work in this newsletter so please see the notice below regarding GDPR.

Year 4 visited the library this week and met an author, year 6 children have been working hard towards SATS test in May and all EYFS classes are full of bubbling excitement.

## GDPR PHOTO PERMISSIONS

Last week the school sent out letters to ask permission to photograph children for various purposes including use in books, newsletters, displays, websites and the media.

Please could all children have their replies to school as soon as possible.

It has been a great start to the new school year for all the pupils and staff in KS2 (Years 3, 4, 5 and 6) Thank you so much for the large number of parents who attended the parent meetings. It was a good opportunity for parents to learn about the changes to the leadership team, meet the teachers and in some cases the support staff who will be working with the children in KS2 this year. All teachers in KS2 will be monitoring home reading throughout the year so please encourage your child to read at home every day.

Other important messages were about;

High expectations for learning and behaviour in each year group

100% Attendance and Punctuality is our aim as a school

Helping your child at home will improve their progress at school

Children in years 3, 4, 5 and 6 have some exciting trips planned for this term ranging from Library visits, Science museum and Visiting the Local Gurdwara. If you can support your child's class on a trip, please speak to the class teacher. We welcome parental support.

Mrs Tenn

## Important message for Year 6 parents

All parents of year 6 children will need to complete their secondary school applications online before the end of October. All the secondary schools are having Open Evenings, I would encourage parents to attend these. You can have a good look at the schools in your catchment area and talk to the staff. This will help you decide on which secondary school to choose for your child. If you haven't already started your application, please visit the Redbridge website or contact Lynton House for more information.

We will be having a Transfer to Secondary school meeting for Year 6 parents to support you with this process.

If you are unsure about any of the above please speak to the class teacher or a member of the Senior Leadership team (SLT)

We look forward to hearing from you.
