Friday 28th September 2018

Dear Parents and Carers. Winston Way is a lovely school and this week has been a great week. Thank you to all parents who turned up to the Year Group Meetings as well 6CD and 1 MA assemblies.

At WWA we read. I really cannot say enough on the importance of reading. Please take every opportunity to read with your children. We encourage children to read every night for 15 minutes. If you could support them with this it will be able to make a real difference to their learning.

As ever I am in the playground mornings and afternoons.

Mr Pasola

Thank you to all the carers that attended the meetings for Year 1 and Year 2. It was great to meet so many of you. The children have made an excellent start to the year thanks to your support. We shared some key messages for Year 1 and 2: how to help at home (reading for pleasure, homework including learning spellings and multiplication tables, Bug club and Mathletics) ; what to bring each day to school (reading record, reading books, water bottle); and how we will assess the children at the end of the year.

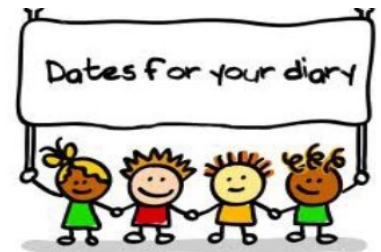

The biggest impact you can have on your children's attainment in school is to enjoy reading with them. Research consistently tells us that reading for pleasure is the biggest factor in a child's success at school. So enjoy sharing books with your child each night, discuss what you read, visit the library with them and have fun with books. Some children have already started to research at home the famous people in our IPC topics.

Please see you class teacher for more help and any suggestions for the next meeting.

Kind regards

Mr P Dean
