Friday 9th November 2018

Dear Parents and Carers,

Since September 10<sup>th</sup> 2018, David Pasola, an experienced deputy head teacher from my school Shaftesbury Primary, was assigned to be the interim head teacher here at Winston Way during this period of transition for the school. Mr Pasola made a good beginning and I was hoping that he would be able to remain in position for the foreseeable future. However, Mr Pasola became a father this week for the first time. Now that his personal life has changed for good with the coming of his baby girl, he took the brave decision to admit that he was not going to be able to give his full commitment to Winston Way, going forward. I know, that everyone here at Winston Way would want to extend their congratulations to Mr Pasola and his wife on the arrival of their first born.

With Shaftesbury Primary's commitment to supporting Winston Way, a decision has been taken that, for the foreseeable future, I will be the Executive Head Teacher for both schools, Winston Way and Shaftesbury Primary.

My name is Geoff Hadlow and in the past I have led two Newham schools from the 'requires improvement' category as defined by Ofsted to an 'outstanding' judgement. I have been a head teacher for the last fifteen years and Shaftesbury is currently an 'outstanding' school. As a result of this experience, I aim to provide the stability, impetus and support to enable Winston Way to begin its journey to 'outstanding' with confidence.

I will be based at Winston Way on Mondays, Tuesdays and Wednesdays and will move between the two schools on Thursdays and Fridays.

Starting on Monday 12th November 2018, the school gates will open from 8.30am. At 8.40am, teachers and support staff will be positioned in the playground where classes will line up. At 8.50am the bell will ring, and teachers will lead their classes into the building.

I am well aware of the many changes that have taken place recently to the leadership of the school, but I will be a constant presence at Winston Way, for the rest of this academic year, building on a positive future for the school.

I look forward to meeting you all in due course and you'll find me most mornings in the playground, before school.

Yours faithfully

Mr G Hadlow
